MELLOW GROUP SUBSIDIARY

Zhaoqing Senmei Metal Co., Ltd

The company has advanced stainless steel surface treatment technology and cost advantages. The main products are 201/202/304/430 stainless steel coils and sheets, specializing in the production of 8K sheets, NO.4/Hairline sheets and other series of color sheets and pattern sheets, and its series of color steel products.

It has realized the integration technology of stainless steel body and coloring layer, which has the remarkable characteristics of higher strength, stronger corrosion resistance, longer service life, lower production cost and higher added value, and enjoys a good reputation

Hunan Tianhong Material Technology Co., Ltd.

The company integrates the surface processing and sales of stainless steel sheets. The core products are cold-rolled stainless steel coils and sheets, of which there are five series of 2B sheets, NO.4/Hairline sheets, 8K sheets, gold titanium sheets, and black titanium sheets, with a total of more than 20 varieties.

Products are widely used in catering kitchen utensils, medical equipment, household appliances, auto parts, building decoration and

Wuxi Tianhong Stainless Steel Co., Ltd.

The company integrates stainless steel processing, trade, storage, logistics and other one-stop services, the main products are 201, 304 hot and cold rolled coil, sheet and various stainless steel color sheet, the surface processing technology also covers the whole coil of oil grinding, the whole coil of mirror, embossing, etching and so on.

After more than ten years of development, the company has become a prestigious stainless steel industry and trade enterprises in East China, products sold throughout the country, by the majority of users recognized and favored.

Lisheng Stainless Steel Co., Ltd.

Founded in 2004, Lisheng Stainless Steel Co., Ltd. The main products are 200 series, 300 series and other cold & hot rolling stainless steel coils and various stainless steel color sheets.

The series of color stainless steel products are widely used in the fields of home furniture, cooking utensils, medical equipment, home appliances, building decoration and so on.

STAINLESS STEEL TOP GRADE SUPPLIER

Foshan Mellow Stainless Steel Co., Ltd.

As a professional stainless steel manufacturer, we sell stainless steel material such as 201/304/430 grade stainless steel coils and sheets with NO.1/2B/BA/HL/8K/Colored/Etched/Embossed in various colors surface and stainless steel home furniture such as kitchen cabinets, balcony cabinets, bathroom cabinets, wine cabinets, wall decorations, screens, etc.

Our products enjoy a good reputation in West Asia, East Asia, Southeast

Chengdu Estsun Stainless Steel Co., Ltd

Chengdu Estsun adopts the service concept of "professional focus, good faith, efficient development" and relies on the Mellow Group to establish strategic partnership with large steel companies to realize the effective integration of supply and sale resources; to build up its own logistics team to improve operational efficiency; to integrate stainless steel processing, trade, warehousing, logistics distribution and other one-stop services; to strive to become a one-stop steel service provider.

The main business products are 201, 304 cold rolled stainless steel coils and sheets.

STAINLESS STEEL TOP GRADE SUPPLIER

Stainless Steel Products

◆ STAINLESS STEEL COILS

Item	Stainless Steel Coils
Supply Condition	Hot Rolled(HR) & Cold Rolled(CR)
Finishes	No.1/2B/BA/Hairline/8K/Color/Embossed/Etched
Grades(AISI)	304, 430, 410, 316, 201(J1/J2/J3/J4/J5)
Thickness	3.00-12.00MM(HR)/0.3-3.0MM(CR)
Width	Upto 1500MM
Length	Coil
Weight	5,10,20MT/Coil

◆ STAINLESS STEEL SHEETS / PLATES

Item	Stainless Steel Sheets & Plates
Supply Condition	Hot Rolled(HR) & Cold Rolled(CR)
Finishes	No.1/2B/BA/Hairline/8K/Color/Embossed/Etched
Grades(AISI)	304, 430, 410, 316, 201(J1/J2/J3/J4/J5)
Thickness	3.00-12.00MM(HR)/0.3-3.0MM(CR)
Width	Upto 1500MM
Length	2000, 2438, 2440, 2500, 3000MM/Customized Length
Weight	Upto 2.5MT/Pallet

◆ **STAINLESS STEEL STRIPS**

Item	Stainless Steel Strip
Supply	Condition Cold Roll(CR)
Finishes	2B, BA, NO.4, Hairline, 8K, Other customized finishes
Grades(AISI)	304, 430, 410, 316, 201(J1/J2/J3/J4/J5)
Thickness	0.5-2.5MM
Width	10-1219MM

◆ **STAINLESS STEEL CIRCLES**

Item	Stainless Steel Circle/Disc
Supply	Condition Cold Roll(CR)
Finishes	2B, BA, NO.4, Other Customized Finishes
Grades(AISI)	304, 430, 410, 316, 201(J1/J2/J3/J4/J5)
Thickness	0.5-2.5MM
Diameter	200MM-400MM

STAINLESS STEEL TOP GRADE SUPPLIER

◆ STAINLESS STEEL PIPE

Item	stainless steel pipe
Type	welded
Finishes	hairline, polish
Grades	(AISI)304/316/201(J1/J3/J5)
Thickness	0.3-3.0mm
Length	6000mm or customized;
Shape	round
Application	food industry, water supply;
